What's REALLY Going On With The WHO?

I recently did what I think are two of my best interviews with Noor Bin Laden and Mel K. Please take the time to watch them so that you know what is REALLY going on, and then share them far and wide.

The negotiations that are being conducted by the World Health Organization are NOT about your health.

The primary reason that the WHO negotiations are happening is to settle a worldwide trade dispute over the manufacture and distribution of drugs, jabs and WHO profits from them.

The “Group for Equity” and the nations of the WHO’s African Region want “equitable access to pandemic related products.”

The WHO lied when they claimed that they properly adopted amendments to 5 Articles of the International Health Regulations on May 28, 2022. In fact, they never bothered to actually vote. This scandal should be headline news, but very few people are talking about this clear violation of the rules.

Follow The Damn Rules

The Working Group for amendments to the International Health Regulations missed their deadline to officially submit a package of amendments back on January 27, 2024. They must not be allowed to blatantly violate international law.

NO AMENDMENTS MAY BE CONSIDERED IN MAY 2024 BECAUSE NO AMENDMENTS WERE SUBMITTED ON TIME.

The WHO negotiations are designed to settle a trade dispute. The sooner people comprehend that these negotiations seek to redirect tens of billions of dollars towards more and more drugs and mRNA jabs, the sooner we will put an end to this insanity.

EQUITY, EQUITY, EQUITY

A big thank you to those of you who attended the AV13 Conference in Milton Keynes. It was fantastic to finally get back together and welcome old friends and newcomers to a very enjoyable and memorable event. We are already already working on the next AV events.

If you didn't make it to AV13 we now have the presentation recordings available.

Regards and best wishes.

The AV Team.
